### Puma VCT 9 plc

Puma VCT 9 plc (the "Company") was launched in April 2013 and was the largest single-VCT fundraise for the 2012/13 tax year. It continues the same investment strategy as the previous Puma VCTs. The regular annual dividend policy targeted 6p per share annual dividend starting in the second year, over the five year life of the VCT. The winding-up vote was put to shareholders in the third quarter of 2018, and the vote was in favour of the solvent liquidation of the Company. The remaining capital was returned to shareholders via an orderly liquidation process.
