

PUMA INVESTMENTS

Calculated Excellence

Puma VCT V was launched in April 2008 and is our most successful VCT to date. Puma VCT V provided the highest return to date for a Limited Life VCT returning 106.3p. The winding-up vote was put to shareholders at the EGM on 8th October 2013. Following a successful vote to enter the Company into members' solvent liquidation, Puma VCT V was de-listed from the LSE on 9th October 2013 and all liquidation proceeds have been distributed to shareholders.

Past performance is no guide to future results.
