

PUMA INVESTMENTS

Calculated Excellence

Puma VCT VII was launched in June 2011 and continued the same investment strategy as the previous Puma VCTs. The regular annual dividend policy, started with Puma High Income VCT, was also implemented with a targeted 5p per share annual dividend over the five year life of the VCT. The winding-up vote is expected to be put to shareholders in the third quarter of 2016.

Past performance is no guide to future results.
