VCT Share Scam Warning

We have recently been notified of a number of attempts to contact Puma VCT shareholders by persons unconnected with Puma Investment Management Limited. These attempts are made by persons who say they are calling from the US and are interested in acquiring assets of the VCT, on behalf of their client.

These calls are not genuine and should be treated as highly suspicious. Shareholders should not disclose any information to the callers or agree to enter into any arrangements with them. We believe these calls are being operated as "Boiler Room Scams" in an attempt to defraud VCT shareholders.

We never release details of shareholders to third parties, other than those legitimately appointed by us to undertake shareholder registration services for the VCTs.

If you have any concerns, please contact us on 020 7408 4100.
